

SOFTWARE @ SFU LIBRARY – PRICE LIST

All amounts are in Canadian dollars for Canadian sites; US dollars for non-Canadian sites. All applicable taxes have been included in the prices. **Current prices are valid until Dec. 31, 2011.**

All prices are for hosting and support services only, and do not include software customization, data migration, interoperability with other systems, or software operation.

ANNUAL HOSTING AND SUPPORT PACKAGES

Annual costs reflect several variables: software package, number of users at a site, and Year 1 or Year 2 and on.
